Macfadyen Design & Build Inc. is a full service renovation firm and the only source you need for design, construction, materials and appliances for your remodeling project.

We specialize in kitchen, bath and complete interior and exterior renovation , for homes and businesses. We take full ownership of every project we work on. That way, our clients get the results they want and deserve, every time. We have a unique team approach in our industry that eliminates many of the problems people typically face when trying to evaluate, select, and work with a remodeling company.

Our services include:

- Preparation of Design & Construction Drawings
- Zoning and By-law Regulation Checks
- Building Permit Application
- Construction Cost Estimates
- Residential and Commercial Construction
- Building Maintenance and/or Repairs
- Pre-purchase Renovation Consultation

The Process

What people are saying...

" Just a short note to let you know how often visitors to my home at 653 Talbot St., remark on it's exterior and Interior workmanship and style. I never hesitate to comment that the design and the work of the renovations done to my home by Macfadyen Design & Build were simply fist rate.

I recommend your services to anyone looking for experienced and professional help in creatively renovating thier properties in the London area.

Tom Goswell
